**Additional Attachments:**

For the required information/documents to be included in an application for a works permit, refer to regulations 2.05, 2.06 and 2.08 and consult with the Airport Building Controller.

**Note 1 - Application fee**

In accordance with regulation 2.02(1), an application fee is required to be paid to the CPM Department of Transport and Regional Services (to be collected by the Airport Building Controller) prior to the issue of the works permit. The basis for calculation of that fee is set out in regulation 2.02.

**Note 2 - AAT Review**

Under regulation 6.02 the applicant for the approval may make application to the Administrative Appeals Tribunal to have the decision of the Airport Building Controller to refuse or fail to approve a building activity reviewed.
